Red Vs Blue Q& A

What You Wanted To Ask The Boys And Girls At Blood Gulch But Couldn't

From Natas

Caboose

-Why Are You So Stupid?

Tucker

-Have You Secretly Wanted To Kill Caboose?

Sarge

-Why Do You Never Kill Grif Even Though You Have Many Chances?

Tex

-Why Are You Obsessed With Killing The Blues And Not The Reds?

Grif

-I Like Oreos Too!

Dear Natas

From Caboose

What! I am not stupid. Tucker is stupid! Are you Tucker?

From Tucker

Wtf Caboose! If it was me asking these questions then why would I ask myself a question? Oh and Natas, No. I have never secretly wanted to kill caboose. If I did that then who would kill church?

From Sarge

I am disturbed by your answer. I want to kill Grif but he somehow evades death. Like that time I tried to induce superpowers in him. All he got was a lemony scent. And Now my shotguns out of ammo. Just to reload my shotgun, I'm going to use Grif pellets from now on.

From Tex

The Blues don't pay well enough. Donut pays me weekly installments to stay away from the Reds. And so does Grif. Simmons too. At the moment the only things that are keeping me from killing the Blues is trying to find Church's safe.

From Grif

I was Blackmailed For This! Please tell me this is the last time someone with an IQ lower than Caboose's wants to talk to me.

Author's note: I need reviews to keep this going!

2. Chapter 2

Disclaimer: I don't own RvB, Rooster Teeth does

Number 2:

From currycool2007

Caboose:

What was your most stupid moment?

Church:

Why do you want to kill Junior?

Sarge:

Why don't you just shoot Grif?

Grif:

Why does Sarge want to kill you?

Donut:

Why do you wear pink armor?

Dear currycool2007

From Caboose:

Uh, I think that would be the time I accidentally told Tex of Church's secret plan. Or the time I shot Church. Or that other time I nearly got church killed. Or that time that I let Tucker's kid drink my blood. I don't know. I am so confused. I need Church to tell me what to think!

From Church:

He's a freak of nature! Oh, and he reminds me of Tucker. When put together I'm sure those two factors add up. Wait, was this about Junior, or Caboose?

From Sarge:

Well, I don't want to kill him unless it's _accidental. _Or unless it's part of a cunning plan. Or both.

From Grif:

I don't know. But I'm sure it doesn't matter. After all, look at those blue guys. They keep getting killed and they're back five minutes later.

From Donut:

IT'S NOT PINK! IT'S LIGHTISH RED!

From Mathlord0764pythag

Dear All,

The sum of any square root of a right angled triangle is equal to the sum of the remaining sides. When two square angles appear what is the sum of the remaining side?

Church:

What?

Tex:

What?

Caboose:

My head hurts!

Tucker:

Um, was this a test or a hypnotherical question?

Sister:

Who's the nerd?

Sheila:

Firing Main Cannon!

Grif:

Is it the side of an oreo. If it isn't I'm not
interested

Sarge:

The maths are talking to me! They're telling me to kill
grif!

Simmons:

Excellent answer, sir!

Donut:

The sum is 45.6768

Lopez:

meh

Translation: Up yours

O'malley:

Oblivion is at hand! Mwahahahahahahah!

Doc:

Pacifism means you don't have to answer questions like that.

From Natas (Again)

Sheila:

Rockets Go Boom!

From Sheila:

Sending rocket to co-ordinates 8974, 009!

Author's Note: I can't continue this if you guys don't send
Questions! Also I don't own RvB, so don't expect me to make new
characters or anything.
